

**Victory Over Sin Sermon Series**  
**Lesson 13 – Pharmakeia’s VAX Mandates**  
**Bible Sermon Notes by Pastor O. Cary Rodgers, Jr.**

In our previous lesson “Pharmakeia’s god Of Eradication” we learned that Revelation 18:23 reveals that ALL nations are deceived by pharmakeia. Pharmakeia is a system of the administering of poisonous drugs that not only poisons the body and mind but also are spell giving potions to take control of a person’s thoughts and actions. Pharmakeia has a direct connection to witchcraft, the magical arts, sorcery, and idolatry.

We also learned that pharmakeia is a system of Satan who is the father of lies and deceptions.

**John 8:44**

44 Ye are of *your* father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

Satan’s drugging system of lies is a system of destruction and despair. He has deceived all the governments of the world and their institutions and schools. His devilish system has a monopoly on “healthcare” and dominate it. Pharmakeia is a system of false science that depends on the ignorance of billions of people to promote its lies.

The merchants of the earth such as drug companies, media outlets that advertise drugs companies, and the clinics and hospitals of doctors and nurses have become wealthy because of pharmakeia.

Remember, the mechanism of action of pharmakeia’s drugs manipulate and deceive the biochemistry of God’s creation. Drugs NEVER CURE.

God’s people should have NOTHING to do with Satan’s poisonous system of lies and deceptions.

Currently, the states, and the US federal government have cunningly and imperceptively taken away our first amendment rights especially when it comes to the free exercise of religion. Since 9/11 until this day with Covid-19 they have given state governors and the president of United States powers to forfeit the rights of citizens in times of “emergency.” In these times they act more like a dictatorship rather than a government for the people by the people.

They determine the emergency, then they claim that they are the experts and their “wise” men have the solutions. When it comes to Covid 19 they have shut down churches, schools, businesses, require masks, and social distancing. They have quarantined the healthy for 14 days. They say all their decisions are based on science. But it is based on the false science of pharmakeia.

They are now blaming the unvaccinated for the spike in Covid-19 variants. They use their bully pulpit of the media to push their lies. They are heavily mandating pharmaceuticals' Covid 19 vaccines throughout the federal governments, some states, schools and businesses.

### **Sweeping new vaccine mandates for 100 million Americans,**

by Zeke Miller, 9-9-21, Associated Press

“In his most forceful pandemic actions and words, President Joe Biden on Thursday ordered sweeping new federal vaccine requirements for as many as 100 million Americans — private-sector employees as well as health care workers and federal contractors — in an all-out effort to curb the surging COVID-19 delta variant.”

“Speaking at the White House, Biden sharply criticized the tens of millions of Americans who are not yet vaccinated, despite months of availability and incentives.”

“ ‘We’ve been patient. But our patience is wearing thin, and your refusal has cost all of us,’ he said, all but biting off his words. The unvaccinated minority “can cause a lot of damage, and they are.’ ”

This sound more like a dictatorship that is pushing the many lies of its false science. There is absolutely no regard for religious freedom. These are some of the same words that will be used during the mark of the beast crisis, “those who are not compliant to our Sunday day of unity and prayer can cause a lot of damage, and they are.”

### **Biden Asks OSHA to Order Vaccine Mandates at Large Employers**

By Lauren Hirsch, 9-9-21, New York Times

“New federal safety regulations that call for businesses with more than 100 workers to require vaccinations against the coronavirus will affirm mandates already in place at many companies and give cover to employers that had yet to decide.”

“The proposed rules, which President Biden announced on Thursday, will require workers to be inoculated or face weekly testing and will mandate that the businesses offer employees paid time off to get vaccinated. They are the government’s biggest push yet to draw employers into a campaign to vaccinate the country.”

“Some 80 million workers will be affected. The requirements will be imposed by the Department of Labor and its Occupational Safety and Health Administration, which is drafting an emergency temporary standard to carry out the mandate, according to the White House.”

“ ‘Some of the biggest companies are already requiring this — United Airlines, Disney, Tyson Foods and even Fox News,’ Mr. Biden said during a speech Thursday.”

The Covid 19 is not the mark of the beast crisis but is setting up its stage and sound system. We are living in some very serious times.

All the Covid 19 vaccines have direct negative effects on the body and mind. They may call them vaccines but they are still poisons. They don’t even know the long term effects.

There are many who want to use a religious exemption in an effort to be exempted from getting the shot and keeping their job.

Most of the main stream religions and churches believe in the lie and are not giving letters of religious exemptions from getting the vax. Also, keep in mind that these exemptions will not stand because our religious rights have been taken away. Remember many of the churches receive federal money and have become vax sites.

**Religious exemptions for COVID-19 vaccine not likely to stand up in court, says attorney**, by Hunter Sáenz , 9-2-21, WCNC, Charlotte, NC

“You can get a religious exemption form online or from some Charlotte churches. However, you are still likely to lose your job, says a Charlotte employment attorney.”

**United Airlines warns of unpaid leave for staff given religious vaccine exemptions**  
By Joseph Choi – 09/08/21, The Hill

“United Airlines told its staff on Wednesday that those who are granted religious exemptions from getting vaccinated against the coronavirus will be placed on a temporary unpaid leave, CNBC reported.”

“Now United is telling its employees that those who apply for a religious exemption and are denied must get their first shot by Sept. 27 or they will be terminated, CNBC reported.”

There are many professed people of God who still don't see the reality. They are still sleep! Knowing that this vax is part of Satan's system of pharmakeia they still ask a foolish question, “should I take the shot so I can keep my job?”

The religious exemptions are losing their weight and in many cases will be denied.

What are you going to do? This is a test of faith. Do you really trust God to provide?

There are many who do not understand the Biblical view of why we should not intentionally take the vax of pharmakeia.

**1) Vax is in violation of the law of the body and health.**

**Exodus 15:26**

26 And said, If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I *am* the LORD that healeth thee.

God has given us an immune system, that is our protection if our lifestyles and what we eat are in obedience to the law of the body.

“God has formed laws which govern our constitutions, and these laws which He has placed in our being are divine, and for every transgression there is affixed a penalty, which must sooner or later be realized. The majority of diseases which the human family have been and still are suffering under, they have created by ignorance of their own organic laws. They seem indifferent in regard to the matter of health, and work perseveringly to tear themselves to pieces, and when broken down and debilitated in body and mind, send for the doctor and drug themselves to death.” {Ellen White, Counsels on Diet and Foods p. 19.1}

## 2) God owns our bodies and is the dwelling place for the Holy Spirit for those who are faithful

### 1 Corinthians 6:19-20

- 19 What? know ye not that your body is the temple of the Holy Ghost *which is* in you, which ye have of God, and ye are not your own?  
 20 For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.

“Our bodies are Christ's purchased property, and we are not at liberty to do with them as we please. Man has done this. He has treated his body as if its laws had no penalty. Through perverted appetite its organs and powers have become enfeebled, diseased, and crippled. And these results which Satan has brought about by his own specious temptations, he uses to taunt God with. He presents before God the human body that Christ has purchased as His property; and what an unsightly representation of his Maker man is! Because man has sinned against his body, and has corrupted his ways, God is dishonored.” {Ellen White, Counsels on Diet and Foods, p 18.3}

## 3) Vax is poison and defiles the mind and body

### 1 Corinthians 3:16-17

- 16 Know ye not that ye are the temple of God, and *that* the Spirit of God dwelleth in you?  
 17 If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which *temple* ye are.

### Titus 1:15-16

- 15 Unto the pure all things *are* pure: but unto them that are defiled and unbelieving *is* nothing pure; but even their mind and conscience is defiled.  
 16 They profess that they know God; but in works they deny *him*, being abominable, and disobedient, and unto every good work reprobate.

We must keep our bodies and minds pure from moral depravity and Satan's poisonous vax.

Matthew 5:8

- 8 **Blessed are the pure in heart: for they shall see God.**

“When men and women are truly converted, they will conscientiously regard the laws of life that God has established in their being, thus seeking to avoid physical, mental, and moral feebleness. Obedience to these laws must be made a matter of personal duty. We ourselves

must suffer the ills of violated law. We must answer to God for our habits and practices. Therefore, **the question for us is not, "What will the world say?" but, "How shall I, claiming to be a Christian, treat the habitation God has given me? Shall I work for my highest temporal and spiritual good by keeping my body as a temple for the indwelling of the Holy Spirit, or shall I sacrifice myself to the world's ideas and practices?"** {CD 18.4}

Again, your faith is tested. Job, keep the job or no job, no job? Where is your faith? Is it faith to succumb to the pressure and say that you will use charcoal to fight the vax? NO!

Those who compromise under pressure with the vax, what will they do during the mark of the beast crisis?

Trust in God despite the threats of man and governments. God will take care of His faithful in times of drought, chaos, pandemics, and much more.

#### **Jeremiah 17:5-8**

- 5 Thus saith the LORD; Cursed *be* the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD.
- 6 For he shall be like the heath in the desert, and shall not see when good cometh; but shall inhabit the parched places in the wilderness, *in* a salt land and not inhabited.
- 7 Blessed *is* the man that trusteth in the LORD, and whose hope the LORD is.
- 8 For he shall be as a tree planted by the waters, and *that* spreadeth out her roots by the river, and shall not see when heat cometh, but her leaf shall be green; and shall not be careful in the year of drought, **neither shall cease from yielding fruit.**

Curse be the man that trusts in pharmakeia and its vax. But blessed is the man that trusts in God and his natural remedies for keeping the immune system healthy.

**Don't you see that it is time to leave these employers of the world and work for Christ as a true medical missionary?**

The time is NOW. Are you awake? There will be a time when it will be too late to make a decision?

Do you want victory over the vax? Have total faith in God.

What are some natural ways to boost your immune system? To be continued...
